INTRODUCTION

This three-year journal is filled with scriptures I've hand-picked to demonstrate the promises of God. Each day, you'll look up the scripture and write whatever God reveals to you about it. Some of the days I've left blank so you can choose a special verse that speaks to you. Next year, you begin again on January 1st with the same verse. See what new thing God says to you about it, and compare it to the previous year.

I hope you are blessed by this journal!
